Sport England objects to the policy if it relates to sports venue which is alluded to within the supporting text and the key evidence base documents listing the Playing Pitch Assessment and Indoor Sports Facilities Assessment Needs Assessment. This is on the basis that the criteria for the loss of provision is not compliant with NPPF paragraph 99.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

To ensure that the policy is compliant with national planning policy there reference to sports venues should be removed or the policy should reflect NPPF paragraph 99 for the development results in the loss of sports venues.

(Continue on a separate sheet /expand box if necessary)
