Document Element: Spatial strategy for housing, 5.19

Respondent: Connectivity and Sustainability, Staffordshire County Council

Date received: 22/12/2022 via Web

Summary:

Paragraphs 5.19 (bullet 3), pg 30 and 5.43, pg 40 still reference highways concerns/lack of a finalised junction improvement scheme for the A41 signals in delivering new houses in Perton. SCC, as the Local Highway Authority, has worked with potential developers (Richborough) and has resolved that the site is deliverable in transport terms subject to a package of mitigation measures being delivered, including improvements to the A41 / Wrottesley Park Road traffic signals. These statements are therefore incorrect.
