Document Element: Strategic Employment Sites, 5.63

Respondent: Staffordshire County Council

Date received: 22/12/2022 via Web

Summary:

The explanatory text needs updating to reflect the role of the LPAs in the study, and the reason for the client group not to short list sites from the long list of site proposals.

Change suggested by respondent:

The explanatory text needs updating to reflect the role of the LPAs in the study, and the reason for the client group not to short list sites from the long list of site proposals. By the time of the examination, there may be alternative proposals to those that have already been suggested but not allocated.

Legally compliant: Yes

Sound: No

Comply with duty: Yes

Appear exam: Appearance at the examination

Oral exam why: Should the Inspector wish to take hearings on this topic, Staffordshire County Council as the lead procuring authority, and contracting authority for the WMSESS Study 2021, would be happy to pull together a handful of representatives that acted as a steering group to the client group, and provide advice to the Inspector accordingly.
