Document Element: Policy SA2 – Strategic development location: Land at Cross Green

Respondent: Connectivity and Sustainability, Staffordshire County Council

Date received: 22/12/2022 via Web

Summary:

E) This could be read as only providing connections to external cycle / walking routes and not necessarily providing new external routes or enhancements. e.g. a link to the canal towpath rather than upgrading towpath to ensure it is fit for purpose. Suggest it is reworded.

K) This references infrastructure requirements and does include education. Does infrastructure include Home to School Travel, as this may also be required for this site.

Suggest Policy is changed to read:

K) Necessary contributions towards offsite infrastructure, including highways and active travel mitigation measures, education including school transport, leisure and health provision.
