Document Element: Appendix F

Respondent: Cllr Sam Harper-Wallis

Date received: 31/05/2024 via Web

Summary:

The Master Plan for the north of Penkridge is not inline with current outstanding planning applications from the prospective developers. These plans include the school and retail facilities in a new location with a new land owner providing them. The master plan must reflect what developers deem to be fit for purpose as reflected in their planning applications.
