Policy HC4: Homes for Older People and others with special housing requirements and Policy HC5: Specialist Housing

The HNA prepared for the Kinver Neighbourhood Plan points up the increasing need for specialist housing, given the ageing demographic, and lack of such specialist support within Kinver. We welcome the Local Plan emphasis on M4(2) accessibility in new housing. However there is a need for housing with additional support and flexibility, providing different tiers and types of care provision, on-site facilities, and transport, to cater for greater dependency.

Large brownfield sites suitable for such multifaceted provision are rarely within the settlement boundary. The proposed Local Plan supports redevelopment of brownfield sites, to reduce the pressure on Green Belt, and it is consistent with Policy EC4. The rural exceptions policy does not apply to such site-specific opportunities, partly because of location. However with suitable on-site provision and flexibility of design, plus services, as is current best practice, such a site could overcome the disadvantages of developments away from village centres for the target clientele, and provide local employment. The issues are very different to those regarding location of housing for young families.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to

say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

Please note: *In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.*

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

***Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*
