If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Policy NB7: Managing flood risk, Sustainable urban Drainage Systems (SuDS) & water quality
 We welcome this policy, while noting that the Flood Zones currently in use may not fully represent the true risk, given that globally, climate change mitigation measures are lagging far behind the commitments made, on which original modelling has been based.
 The statement 'Discharge should not be made into the combined sewer system' should be strengthened to 'must not'. Discharges into the sewer system increase the risk of raw sewage discharges to rivers due to storm overflow, which is already documented as a serious problem in this area. (Mill Lane Sps, in the centre of Kinver, overspilled sewage 43 times into the River Stour in 2023: <https://theriverstrust.org/key-issues/sewage-in-rivers>).

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to

participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

***Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*
